## **Astrological Compatibility**

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

## Report for Princess of Wales Diana

### How You Approach Relationships

Your manner of relating to others is open and direct, and you somehow always manage to get right to the heart of things. No sidesteps. Everyone knows where you stand because your heart is always right there on your sleeve. On meeting you, one might expect that you would seek out another no-nonsense and serious type as a mate. Not so. You find relief from your own single-mindedness with someone who is, above all, fun and easy to talk to; talk and mental stimulation are things you really enjoy. The fact that they are a bit of a lightweight, always on the move, and even a bit frivolous, doesn't bother you one bit. You're delighted.

*Gemini on 7th Cusp*

Above all, you have a need for partners that are bright, witty, and that like to talk and communicate. You must have mental compatibility before you get serious about someone. Aside from talking, you like others who are interested in speaking and writing.

*Mercury Ruler of 7th*

Who you know, your public life, and your image are very important to you. You tend to involve yourself in relationships with authority figures and respected members of the community. This includes business partners as well as lovers. You take marriage, partnerships, and all relationships very seriously.

*Sun in 7th House*

Everything seems to move through you once you get around other people. You have real communication skills that make you a perfect interface for others -- the negotiator. You value intelligence and articulation, especially in a partner. You are never happier than when you find yourself in meaningful conversation, surrounded by sparkling wit, clever thoughts, and all that is mercurial. You may come to know writers, reporters, announcers, and investigators.

*Mercury in 7th House*

## Report for Princess of Wales Diana

### Strengths in your relationships

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

*Sun Trine Neptune (orb: 01 02')*

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

*Mercury Sextile Mars (orb: 01 33')*

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

*Mercury Sextile Pluto (orb: 02 51')*

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

*Venus Trine Saturn (orb: 03 25')*

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

*Sun Sextile Pluto (orb: 03 37')*

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great

perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

*Mars Conjunction Pluto (orb: 04 24')*

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

*Mercury Trine Neptune (orb: 05 26')*

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

*Sun Conjunction Mercury (orb: 06 28')*

## Report for Princess of Wales Diana

### Challenges in your relationships

You have mixed feelings when it comes to other people. You can't live with them and you can't live without them. You are used to a high degree of emotional tension. People may misinterpret your emotional chargedness as aggression or disapproval, when in fact that's just the way you are. They may not support your values. You long for a smooth relationship, but if you look at your history it's been a rocky road indeed. You may have trouble locating an environment where you feel comfortable and can flourish.

*Moon Square Venus (orb: 00 38')*

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

*Venus Square Uranus (orb: 01 04')*

You are unconventional, at the expense of your own popularity. You did not care to follow in the footsteps of a traditional upbringing, and you may have left some very disappointed parents behind as you set out on your own. Independence and originality for you have been almost a private thing. You have sought it out despite the occasional disapproval of the status-quo. You may be restless and move around a lot. Your desire for personal freedom has always gone against the majority.

*Moon Opposition Uranus (orb: 01 42')*

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

*Moon Opposition Mars (orb: 06 37')*

There is a tendency to be somewhat taciturn and reserved; perhaps a little too prudent. You have a fear of letting go that may manifest as an apparent lack of emotion. You don't always like what you are feeling, or own up to it. You are probably not an animal lover.

*Venus Square Mars (orb: 07 15')*

## Report for Princess of Wales Diana Your Relationship with Prince of Wales Charles

You probably felt at home with Prince of Wales right from the start. You enjoy doing things together. It feels natural and good. It occurs to you that this relationship could last a while. He feels almost like family and does a lot to bring out your more domestic side. The two of you might cater to the public or run a business from your home.

*His Moon in Your Fourth House*

The two of you probably met as part of a group that shared some common interest. Prince of Wales struck you as a peer, an equal who shared perhaps the same new-age way of seeing things that you do. You have both had the same vision, a common dream, and probably share a mutual resolve to see that those dreams happen. There is a sense of a brave new world about this friendship. The two of you standing on the edge of the future. He represents the way you feel relationships should be. There is a feeling of doing the right thing, what ought to be done, even at the expense of a little warmth.

*His Sun in Your Eleventh House*

Prince of Wales is someone you will value for his practical and pragmatic outlook on life. You may come to depend on his advice regarding your career, or work. He can put into words ways and ideas of doing things that may better help you manage your own business. Here would be a good business partner too, one whose speaking and writing skills could prove of great value and use.

*His Mercury in Your Tenth House*

He values the more philosophical side of you, and it is hard for you not to end up in the role of teacher in this relationship. You find yourself in long discussions that may be as much monologues on your part as anything else. Not everybody thinks of you as a philosopher and sage. Not a bad experience. Prince of Wales is interested in your long-term goals, inner vision, and moral principles. You might enjoy traveling together.

*His Venus in Your Ninth House*

Prince of Wales is nothing else if not stimulating, and he may be downright challenging or irritating at times. It all depends on what mood you're in. If you need a boost, a little competition, then he is tailor-made for the job. If things are already hectic, then you may not enjoy the ride. There is the potential here for a good sexual relationship too.

*His Mars in Your First House*

Prince of Wales is your good luck charm. He leads you out of yourself and makes it possible for you to come across looking better in situations than you might without him. People experience you as more expansive and outgoing when you are with him. Your relationship could become a highway to much greater things. There may be a tendency to spend everything and get carried away with projects and ideas.

*His Jupiter in Your First House*

It may be hard to get personal with Prince of Wales, and this may be a toughy if you're thinking about romance. You may feel tied down and unable to work efficiently or profitably. You may lose sight of what is essential in any personal or business venture. You could accumulate debt. Not a traditional sign for a good business relationship.

*His Saturn in Your Eighth House*

You may have met in an unusual, unexpected way. There is always this sense that he may vanish as quickly as he appeared. You never are quite sure what he is about to do next. There is a strong possibility that Prince of Wales was a key to introducing you to new people or a new crowd. Time spent together is fun and filled with a sense of adventure and discovery. He is good at sharing new ways to approach people and relationships.

*His Uranus in Your Seventh House*

Here is someone with whom you share a broad and far-reaching vision. Together the two of you are transported by late- night discussions and common dreams. He brings out the eloquent in you, and when you are with him you sense that you are part prophet and visionary. Your religious and philosophical ideas are in fine tune. There is a very heady kind of romance here.

*His Neptune in Your Ninth House*

This relationship is passionate and intense. You can't ignore Prince of Wales, and he knows how to get right to you with a single glance. He won't put up with excuses or habits of yours which are a waste of your time or money. He is not afraid to get right in there and change you himself. He doesn't ask your permission to do the obvious. This may result in a real power struggle for you both. On the other hand, this could be a powerful business relationship.

*His Pluto in Your Eighth House*

### Challenges in your relationship with Prince of Wales Charles

You may not like many things about Prince of Wales, and he may feel that you refuse to give him credit or to recognize his values and ideas. He has a way of going on, with or without your approval. There is a kind of stalemate.

*Your Venus Opposition His Sun (orb: 01 59')*

*Your Moon Square His Sun (orb: 02 36')*

A basic lack of communication, particularly regarding Prince of Wales's career decisions. He tends to go against your way of thinking, or you refuse to talk about this subject with him. It may be difficult to communicate.

*Your Mercury Opposition His Jupiter (orb: 03 19')*

He may feel that you don't take his ideals seriously enough, and that you discount his more imaginative and creative side. You may feel that he is unrealistic, only fooling himself, and is always getting carried away with one thing or another. There could be deception.

### How You Approach Relationships

You are warmly generous and always gracious with others. You have an innate sense of playfulness and self-discovery that endears you to all who come to know you. You will always have a bit of the child about you, and you tend to require considerable attention from a mate. Anyone who gets to know you knows that you take yourself ever so seriously. You prefer a mate with great ambitions and plans, who dares to dream the impossible dream! You benefit from being drawn out of yourself by someone with less self-consciousness. Above all, you really value a close friend -- especially in a lover. You are attracted to visionaries with broad humanitarian goals.

*Aquarius on 7th Cusp*

You love the oddball and the unfettered. You may be drawn to social visionaries and to unconventional types in general -- a taste for the bohemian. You may have many unusual relationships of short duration. There is an on-again, off-again, quality to your affairs. You depend on relationships for insights into yourself and your life.

*Uranus Ruler of 7th*

## Report for Prince of Wales Charles

### Strengths in your relationships

A passionate one. You love it when a crisis emerges and threatens to shatter the normal routine, because you yearn for a chance to undergo really profound changes. You're like the survivalists who wish the world would stop pretending and get down to the nitty-gritty. Fiercely loyal, you would rather see a relationship through hell and high water than abandon it. You delight in emotional confrontation, intense conversations, and secrets of all kinds.

*Venus Sextile Pluto (orb: 00 11')*

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

*Moon Sextile Uranus (orb: 00 30')*

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

*Moon Trine Jupiter (orb: 00 32')*

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

*Mercury Sextile Saturn (orb: 01 41')*

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

*Venus Conjunction Neptune (orb: 02 15')*

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do

well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

*Mars Trine Pluto (orb: 04 23')*

A born lover. You feel right at home with your emotions, and others can't help but remark at your bright, cheery attitude. People like to be around you because you are very expressive and always quick to reveal when you like someone or something. You seldom hide what you are feeling. A love relationship is a real necessity for you and you seldom are without one. You are at home with your sexuality.

*Venus Sextile Mars (orb: 04 34')*

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

*Moon Trine Saturn (orb: 04 50')*

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

*Mercury Trine Uranus (orb: 07 02')*

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

*Moon Trine Mars (orb: 09 29')*

## Report for Prince of Wales Charles

### Challenges in your relationships

You may have an inordinate fear of dying or confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

*Sun Square Pluto (orb: 05 52')*

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

*Moon Opposition Mercury (orb: 06 32')*

## Report for Prince of Wales Charles Your Relationship with Princess of Wales Diana

There is almost a sense of mystery about your relationship with Princess of Wales. You cannot hide things from her, so there are no formalities when you are around her. You feel exposed. The whole thing has a magnetic sexual quality to it which both of you support. You tend to feed on this arrangement, with the result that the experience is strengthening and supportive. Aside from this you may be involved in some kind of financial partnership. She might act as your agent, or as a go-between.

*Her Moon in Your Eighth House*

You may not be famous for your willingness to sacrifice, but if anyone can get you into this mode, it is Princess of Wales. She has a way of encouraging you to let go of a whole lot of small grievances that you have hung onto in the past. Somehow it's very clear when you're with her that they are not worth the hassle.
