## **Astrological Compatibility**

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

## Report for Jane Fonda

### How You Approach Relationships

Who would expect from your dignified and staid manner that you require so much mothering from a partner? Your natural business sense and conservative nature in general might point to your hooking up with a real no-nonsense and even cool type. Not the case. You are attracted by feeling and emotional types, and a good strong display of emotion never put you off, although you may prefer it in the privacy of your home. You find it hard to be demonstrative, yet you love to be cared for and even babied.

*Cancer on 7th Cusp*

You need lots of love and attention, and you don't mind being mothered a bit, either. You like partners who are emotionally sensitive, supportive, and nurturing. A bit of mothering goes a long way with you.

*Moon Ruler of 7th*

You really depend on relationships for growth and support, and you tend to find yourself in, and by means of, other people. Others find you very supportive. You may be a bit of a "mother hen" when it comes to watching over your friends and partners.

*Moon in 7th House*

You depend on your relationships to learn about yourself. You tend to be intense and confrontive, and love to strip away the social amenities in a group situation and get down to the nitty-gritty. Others find you passionate and always interested in sensitive issues -- skeletons in the closet, and the like.

*Pluto in 7th House*

## Report for Jane Fonda

### Strengths in your relationships

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

*Sun Sextile Mars (orb: 00 34')*

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

*Moon Trine Venus (orb: 03 20')*

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

*Mercury Trine Uranus (orb: 05 31')*

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

*Mercury Trine Neptune (orb: 05 35')*

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

*Moon Trine Sun (orb: 07 19')*

## Report for Jane Fonda

### Challenges in your relationships

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

*Sun Square Saturn (orb: 00 37')*

Everyone who comes to know you will remark on your high ideals. You are indeed a beautiful soul, and you probably suffer many disappointments. Friends may see you as unrealistic and otherworldly, afraid to put your dreams to the bitter test of life and actuality. Those close to you may feel that your continual disappointments are a deception on your part, a refusal to face life.

*Venus Square Neptune (orb: 02 30')*

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

*Moon Opposition Mars (orb: 07 54')*

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

*Sun Square Neptune (orb: 08 10')*

## Report for Jane Fonda Your Relationship with Lily Tomlin

You can benefit a lot from the support of this person. If you stop and think about it, you couldn't imagine a much more perfect response from the cosmos to yourself than you find in Lily. For one, she is almost totally supportive of you, warts and all. And there is every reason to believe that she could aid you financially, as well as friendship-wise. Good things could happen with and through her. Here is a real opportunity for you to take hold and develop your resources. This is fertile soil for many things.

*Her Moon in Your Second House*

This is a true partnership -- a real friend. When you first met Lily, you got the message as to what relationships and partners are really all about. Perhaps for the first time you experienced what it is like to totally respond to another person. All you wanted to do was to respond and care for her. You felt responsible. It had the potential for being a real initiation, a coming together. You are ready to work to keep this friendship together.

*Her Sun in Your Seventh House*

The two of you have a great rapport. There is mental kinship. In fact a talk session with Lily almost amounts to therapy for you both. There is a real sense of mutual reflection. It would be hard for you to find a more productive intellectual companion. It is possible that you may work together in some public way through speaking, writing, investigating. A real meeting of the minds.

*Her Mercury in Your Seventh House*

Here is a natural friend, one you find both charming and attractive. Lily shares your social values and has similar needs when it comes to relationships. She values your particular social qualities and the way you relate and feel about others. You both tend to respond to situations in similar ways. Something special seems to happen when you two get together.

*Her Venus in Your Seventh House*

Lily has the effect of moving you to give up old habits and unwanted traits. She motivates you to greater will power and self-control than you might achieve on your own. If you're not up to it, she may tend to badger and shame you a bit. All in all, her influence results in your throwing aside many a burden and assuming a more willing and receptive attitude.

*Her Mars in Your Twelfth House*

There is no doubt that she is a "luck sack". Through her many opportunities are possible, especially relating to your financial positions and resources in general. Lily is a natural guide for you and can help make the most out of what you have -- multiply it many times over. She appreciates what you have going for you and has good ideas as to ensuring you a secure response from the world. She may come bearing gifts.

*Her Jupiter in Your Second House*

Lily may tend to put a damper on the conversation. No matter how bright you may be feeling, she probably remains cool to any of your eloquence -- despite it. She is a person of few words when it comes to you. On the other hand, she causes you to cut back on the outflow of words and to think about what you're saying. You have to work to get your words out. There could definitely be a communication problem here.

*Her Saturn in Your Third House*

Lily could be your key to off-beat life styles, alternate ways of living, and new-age homes. Perhaps your home life and day-to-day routine has changed since you first met her. She may encourage you to try different methods of child-rearing, homesteading, or family methods. The traditional life style is just not Lily's way.

*Her Uranus in Your Fourth House*

There is a definite sense of mystery about Lily. When the two of you are alone you get very close, exploring psychology and sinking into dreamy states that you can't find with others. Aside from the imaginative aspects -- which should be very strong -- there is a sense of being initiated, of getting past some barrier, getting down to the real stuff. You feel so open with her, and she with you. Unless you are very careful, this is probably not the best relationship for business or financial matters.

*Her Neptune in Your Eighth House*

Lily's influence could revolutionize the way you relate to other people -- your social life. You have found yourself re-examining ideas of marriage, social values, and relationships. She seems to exercise a strange power over you, and this was true from the very first time you met her. You may find yourself wanting to hide this relationship because you feel exposed. She is almost too personal at times. Knowing her amounts to a crash course in facing yourself.

*Her Pluto in Your Seventh House*

*Your Moon Conjunction Her Mercury (orb: 01 28')*

This could be a real working relationship. Lily has an organizing effect on you, and brings discipline and good sense to any project the two of you engage in. Although somewhat cool and conservative, this has every sign of being a very durable relationship.

You find Lily's way of thinking and speaking just to your taste. You have a natural sense of appreciation for her mind and the way she communicates. She has a knack for putting your own ideals and values into words. You probably have fantastic conversations.

You somehow are able to put Lily's dreams and ideals into words. She finds you very imaginative, even eloquent, and may love poetry and music that you write. There is a basic sense of shared ideals, and you have long dreamy conversations.

*Your Mercury Trine Her Neptune (orb: 06 56')*

You will find that she appreciates you, and you can't help but find this charming. You have a sense of being valued and appreciated for the right reasons. This is a warm and affectionate friendship.

*Your Sun Trine Her Venus (orb: 07 22')*

You find it easy to talk to (sometimes at) Lily, and you think about her a lot. She encourages you mentally, and may support some communication project you are involved in -- speaking, writing, etc.

*Your Mercury Trine Her Sun (orb: 07 37')*

This is an easygoing relationship with plenty of give and take on both sides and very little

friction. There is a tendency to identify with one another, and you both have a great deal in common.

*Your Sun Trine Her Sun (orb: 08 37')*

She has a way with words which you find flattering and interesting, since the subject is often you. She enjoys talking to you and may also write you letters. You find her stimulating mentally, and communication is most often smooth.

This is a good working relationship. Lily tends to bring a real sense of discipline and order into your life. You feel like making a sustained effort when you are with her. You can't help but support her sense for organization and order.

*Your Moon Trine Her Saturn (orb: 08 59')*

## Report for Jane Fonda

### Challenges in your relationship with Lily Tomlin

Lily's feelings of independence, and her unusual ways, tend to rub you the wrong way at times. You refuse to support her oddball ideas. She may find you restricting and unimaginative. There is definite disagreement here.

*Your Moon Square Her Uranus (orb: 00 02')*

There is this sense of the unrealistic. She may feel that you don't value her ideals and don't support her dreams. You may find her unrealistic and may not appreciate "escapism" on her part.

*Your Venus Square Her Neptune (orb: 03 50')*

You find that it is easy for you to hurt her feelings, or she takes offense easily, with the result that she is not always as supportive of you as you might wish. You both waste a lot of time holding out against the other. You may feel that she ignores you.

*Your Sun Square Her Moon (orb: 04 28')*

Lily may not appreciate the way you present yourself and act. Your basic energy, the way you feel, is counter in some way to her values and ideals. She may act aloof. You may have a tendency to be a bull in a china shop when it comes to what she cares about.

*Your Mars Opposition Her Venus (orb: 06 48')*

She may feel that you don't take her ideals seriously enough, and that you discount her more imaginative and creative side. You may feel that she is unrealistic, only fooling herself, and is always getting carried away with one thing or another. There could be deception.

*Your Sun Square Her Neptune (orb: 06 49')*

She may prefer to have her own career and take a course that runs counter to your own. Her advice may not always be in your best interests. There may be arguments, with you being painted as the authority figure. She may feel that you hold her back from finding her own way.

*Your Sun Square Her Jupiter (orb: 07 42')*

Sudden outbursts of temper and unusual emotions may color this relationship. Your inner drive and feelings may tend to go against her need for independence and freedom.

*Your Mars Square Her Uranus (orb: 07 56')*

The two of you may tend to get very emotional, and you could clash over many issues. She may feel that she doesn't get enough support from you, and that you are pushy and aggressive. You may not feel like pouring a lot of energy into her needs and demands.

*Your Mars Opposition Her Sun (orb: 08 03')*

## Report for Lily Tomlin

### How You Approach Relationships

You are always sensitive to others' feelings, and you pick up on even the slightest change in mood. Life for you is, above all, an experience to be lived and felt, and you find yourself sometimes up and sometimes down. You look to your partner for continual advice and guidance. You prefer a mate who is able to give you an overview or picture of what is happening. It's even OK if your partner runs a tad cool, because you tend to run a little hot... sometimes gushy. You depend on the calm, disciplined advice of a good manager -- which is what your partners often turn out to be.

*Capricorn on 7th Cusp*

You like a partner that is a hard worker, perhaps a little on the serious side -- a mainstay of the community. They may tend to run a little cooler than hot, and this is OK with you. You may benefit from the discipline that an older, more accomplished, life brings to you. You may have a tendency to find your partners restrictive and too serious at times.

*Saturn Ruler of 7th*

Relationships are always deeply moving experiences for you. You have powerful feelings and can't seem to hide them from others. You're OK when alone, but as soon as you get with a group you can't seem to ignore what you feel. Everything has the tendency to get right to your gut. Marriage is almost unavoidable, so important a role will it play for you. And the road to (and through) marriage is more likely to be turbulent than tranquil. You are committed to all relationships with all your heart. You would make an excellent marriage counselor once you learn to manage your own situation.

*Mars in 7th House*

## Report for Lily Tomlin

### Strengths in your relationships

You tend to like partners that are authority figures, perhaps older, or dignified, in one way. You are warm, appreciative, and tend to lavish affection on those you can look up to and respect in some way.

*Sun Conjunction Venus (orb: 01 15')*

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

*Moon Trine Pluto (orb: 01 41')*

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

*Mars Trine Neptune (orb: 01 54')*

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

*Mars Trine Uranus (orb: 02 26')*

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

*Moon Conjunction Jupiter (orb: 03 15')*

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to

work.

*Venus Trine Saturn (orb: 05 42')*

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

*Sun Trine Saturn (orb: 06 57')*

## Report for Lily Tomlin

### Challenges in your relationships

Everyone can testify to your brilliant mind, but most would also find you somewhat erratic and unpredictable. You don't always have the follow-through you pretend to have. You tend to change your mind in the middle of a project and go rushing off in some new direction. You are to some degree the victim of your own whims. You have trouble finding practical uses for your plentiful insights.

*Mercury Square Uranus (orb: 01 26')*

You may have difficulty expressing your feelings, with the result that tension accumulates to the boiling point. You may get the feeling sometimes that situations and other people unite to repress you, to hold you back. You probably have had some really harsh experiences, hard feelings. You feel you must push and strain to get anywhere at all. You would do well with a partner who can help you through the process of getting your feelings out without exploding.

*Mars Square Saturn (orb: 06 36')*

A history of insecurity, possibly fear of confrontation and of getting to the heart of things. Competitive to the point of power struggles. Frequent blow-ups. Things tend to build up to the point where you go through some big transformation and start over. Your attempts to control relationships end with your feeling rejected. A very understanding, psychologically oriented partner is in order.

*Mars Opposition Pluto (orb: 07 42')*

## Report for Lily Tomlin Your Relationship with Jane Fonda

You can benefit a lot from the support of this person. If you stop and think about it, you couldn't imagine a much more perfect response from the cosmos to yourself than you find in Jane. For one, she is almost totally supportive of you, warts and all. And there is every reason to believe that she could aid you financially, as well as friendship-wise. Good things could happen with and through her. Here is a real opportunity for you to take hold and develop your resources. This is fertile soil for many things.

*Her Moon in Your Second House*

Meeting Jane has got to be good for you, at least for your health and personal habits. She is sure to give you a hand at implementing all those many projects that you have never gotten around to doing, like eating better, cutting down on this, and so forth. She is really able to get you to work on taking care of these kinds of details. And she cares for you in about every way you could imagine. Where else could you get this kind of service? In many ways she is your own conscience come alive. Working hand and hand with her should take a great burden off your mind.

*Her Sun in Your Sixth House*

When the two of you get together for an intensive talk session, watch out. You love to discuss the details of work and matters relating to your health, self-improvement, and general well-being. She brings out ideas on how to improve and care for yourself. On the down side, both of you can slip into a very critical vein, especially of others. You may find yourself working together in some editorial or managerial capacity.

*Her Mercury in Your Sixth House*

She appreciates your sense of duty and concern for others. Time spent together tends to enhance these qualities in you. You may not have known how much you care about life and other people before you met. You find yourself taking better care of yourself, by attending to the details and odds & ends of your life. She values you for your more conservative qualities and tends to see you as painstaking and particular when it comes to attending to details.

*Her Venus in Your Sixth House*

Here is the possibility of a very intense and even compulsive relationship. Power overtones are almost inescapable. Jane moves you to feelings that are very direct and personal. You probably tend to spend time alone, if only because you might feel vulnerable being so open about yourself in public. This could be an excellent business relationship too, since there is the ability to get down to what is important -- the real nitty-gritty. Not a casual meeting.

*Her Mars in Your Eighth House*

Jane may have been the means for you to meet many new people in your life. You like to be in the public and feel social when you are with her. She makes it easy for you to respond to

others, understand them, and share in the common experience of life. She could be instrumental in leading you into a career involving the public or bringing your current career into greater public attention. There is a real sense of comradery with you two.

*Her Jupiter in Your Seventh House*

She may help to crystalize your career goals. Her no-nonsense approach could make or break you. She has a natural sense of authority that you respect and might confuse with a parental figure. If you need discipline in career direction, good. If not, you may find this relationship disappointing and even depressing. You will always get good advice, perhaps not warmth and appreciation.

*Her Saturn in Your Tenth House*

Jane has the capacity for introducing you to radically new goals and groups of people. Perhaps through her you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. She has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. She is anything but boring.

*Her Uranus in Your Eleventh House*

I am sure both of you wax poetic when you're together. Your imagination is in top form and you seem to rise to the occasion and find just the right words. There is an almost dreamy or unworldly quality about your communications. You get carried away very easily and may sometimes wonder if there is a tendency for you each to delude the other. Who cares? It's just like in the movies!

*Her Neptune in Your Third House*

You found Jane intense and direct from the start. Here is someone you just can't ignore. This can be a very exciting relationship. You feel she can look into inner secrets and will not hesitate to challenge you. Conversations tend to be deep and turbulent. You may find yourself going through major changes through knowing her. There may be a struggle for control or power.

*Her Pluto in Your First House*
